Volunteer Program Policy:

Volunteers are an important part of the daily operations and race day functions of the team. Many hours of work are needed for hosting race events, which add revenue to the team budget, expose our mountain and programs to other athletes and families, and give our athletes the “home field” advantage.

Family Volunteers:

When joining the team, you are not only committing to supporting your own athlete, but also to support the needs of the team on race day. **Families that do not meet their obligation will be assessed a work fee of \$150 per day missed, per athlete.**

- All families must contact the volunteer coordinator to schedule their work days.
- When you exceed more days than your commitment, you will be eligible to receive 2 lift vouchers per day worked for yourself, family and friends to use.
- Other incentives may be presented throughout the season.

Volunteer Commitment:

Date	Race	Volunteer Name(s)
January 24, 2016	BWL Regional Qualifier GS	
February 6, 2016	Masters SL	
February 7, 2016	Masters GS	
February 21, 2016	U16 NHARA Men's SL Qualifier	
March 5, 2016	U12 Championships SL	
March 6, 2016	U12 Championships GS	
March 13, 2016	Lafoley Spring Series GS	
March 20, 2016	Cote Open Parallel GS	

In the above space please indicate your preferred availability to work your required commitment for the races being hosted by RMST during the 2015-16 ski season at Ragged Mountain Resort. Assignments are first-come, first served. You must sign-in at race registration on the morning of the event for your assignment to count towards your commitment.

Notes:

1. **A \$150 fee will be assessed for each race day commitment not met.** Parents are responsible for signing up for races that they are available to work. If you are unable to work the race which you are committed to, you are responsible for finding your replacement. You will be charged the \$150 fee if your replacement is a no show.
Your Credit Card on file will be charged for each unfulfilled commitment!
2. Positions are assigned on a first-come, first-served basis. If the position you requested is filled, then you will be assigned another position that needs to be filled.
3. Both parents working one race will count as two race days worked.
4. We recognize that some of our parents have special circumstances. Whether that is being a single parent, a ski school instructor, coach, a non-skier, or other constraints please let us know so that we can work with you to meet this requirement.

Concussion Policy:

Any Ragged Mountain Ski Team (RMST) athlete under the age of 18 years suspected of having sustained a concussion or traumatic head injury must be removed immediately from participation in RMST sporting events (e.g. sanctioned training, practice, camps, competitions or tryouts), by the Alpine Director or RMST member coach overseeing such sporting event. The minor athlete will be prohibited from further participation until evaluated and cleared in writing to resume participation in RMST sporting events by a qualified health care provider trained in the evaluation and management of concussive head injuries. The health care professional must certify to RMST in the clearance letter that he/she has successfully completed a continuing education course in the evaluation and management of concussive head injuries within three years of the day on which the

written statement is made. Upon removal of a minor athlete from participation for a suspected concussion or traumatic head injury, the member coach making the removal must inform the Alpine Director of Competition Services. Athletes who have subsequently been medically cleared to resume participation must provide such medical clearance (as described above) to the RMST Alpine Director in order to be permitted to participate in RMST sporting events.

About Concussion:

A concussion is a type of traumatic brain injury (TBI) caused by a bump, blow, or jolt to the head. Concussions can also occur from a fall or a blow to the body that causes the head and brain to move quickly back and forth. Doctors may describe a concussion as a "mild" brain injury because concussions are usually not life-threatening. Even so, their effects can be serious.

Risk of Continued Participation:

A repeat concussion that occurs before the brain recovers from the first-usually within a short period of time (hours, days, or weeks)-can slow recovery or increase the likelihood of having long-term problems. In rare cases, repeat concussions can result in edema (brain swelling), permanent brain damage, and even death.

RMST recommends that all Members review the Center for Disease Control's resources on concussion awareness at the following link:

http://www.cdc.gov/concussion/HeadsUp/online_training.html

I have read, understand and agree to abide by this Concussion Policy:

Helmet Policy (new FIS Sticker for U14 and above)

In an effort to reduce the risk of traumatic head injuries including concussions, **all RMST athletes must wear a USSA approved for competition helmet at all times during all activities related to RMST.** This includes but is not limited to competitions, training, directed or un-directed free skiing, coaching, camps, tryouts or sanctioned events. If you are unsure whether or not your current helmet meets the specifications, please consult your coach or the Alpine Director.

USSA Helmet Rule:

Helmets designed and manufactured for the particular discipline of ski racing being contested are required for all competitors and forerunners in all USSA events and official training. Helmets must bear a CE mark and conform to recognized and appropriate standards such as CEH.Din 1077, ASTM F2040, SNELL S98 or RS98.

Helmets must cover the head and ears. Helmets with spoilers or edges that stick out are not permitted. Protective features integral to the discipline being contested, such as chin (teeth) guards on slalom helmets are permitted. Soft ear protection is only permitted for helmets used in slalom.

USSA does not specify nor recommend nor make any warranties as to the fitness for use of any particular ski helmet design or brand name. USSA undertakes no responsibility, liability, or duties to any competitor in connection with the requirement that helmets be utilized. It is the sole responsibility of the competitor to select an appropriate helmet for accident prevention in ski racing.

Caution: Age and use affect the protective qualities of all safety helmets. Some older helmets and any helmets that have been damaged either in a fall or from other impact may no longer provide sufficient protection- even if there are no visible indications of damage.

I have read, understand and agree to abide by this Helmet Policy:

Ragged Mountain Ski Team Drug and Alcohol Policy

Ragged Mountain Ski Team is concerned for the safety and welfare of its athletes, coaches and staff.

Therefore all members of the RMST are prohibited from using or carrying drugs (Marijuana/THC, Cocaine, Opiates, Phencyclidine, Amphetamines or any other Banned Narcotics) and alcohol except as permitted by law or medical prescription. In the case of medical prescription, athletes must provide the RMST Program Director with a written statement from their doctor detailing the medication in use and its effects on the individual.

To ensure compliance with these rules, this policy for alcohol and drug use testing is established. The policy applies year-round to athlete members when involved in the dryland and ski training programs of the RMST, at or away from the team facilities, including travel, lodging and any other activity of athletes and staff while at other resorts. RMST will comply with all applicable governmental or judicial requirements. Failure to observe this policy may result in sanctions up to and including dismissal from the team and its activities.

I have read, understand and agree to abide by this Drug and Alcohol Policy:

Ragged Mountain Ski Team Athlete Responsibilities:

Every participating athlete of the Ragged Mountain Ski Team (RMST) agrees to:

1. Follow and uphold the rules and code of conduct set forth by the RMST, the ski area(s), the USSA, and attending school policies.
2. Understand that participation with the RMST is a privilege. This means that any athlete may be a member of the Ragged Mountain Ski Team only on the condition that she/he fulfills the program requirements, and abides by the rules and the principles of the group. A privilege can be revoked as soon as a member fails to maintain his or her part of the "contract" acknowledged at the time of registration.
3. Conduct her / him with the highest level of integrity. This reflects the professional manner that our program and all enrolled athletes will work to achieve.
4. Show respect and support to teammates and staff and to others property.

5. Be on time for scheduled training and meetings.
6. Keep your frustrations and temper in check. Outbursts of profane language will not be tolerated.
7. Observe all safety instructions on the hill and when traveling. Abide at all times by the Skier's Responsibility Code
8. To maintain serious commitment to personal development, as an athlete, as a student and an individual.
9. Rely upon and obey the judgment and direction of the coaches.
10. Read and understand all of the program documents carefully, including the required drug policy and waiver, sign and complete the related forms and waivers and abide by the provisions of these agreements at all times.

All RMST members must obey the rules of any ski area that we travel to, all Ragged Mountain Mountain Resort rules, School rules, RMST Travel rules, and other RMST rules. Each member must realize that they represent not only themselves, but the RMST, Ragged Mountain Resort, its affiliated Sponsors and Corporate Partners and the sport of alpine ski racing. The actions of individual athletes can enhance or severely compromise the image and well being of the RMST.

Ragged Mountain Ski Team Code of Conduct:

Membership in the Ragged Mountain Ski Team (RMST) is a privilege, not a right. All RMST members (including but not limited to: athletes, coaches, officials and parents) when participating in any RMST activity or function, must agree to conduct themselves according to RMST's core values of **Loyalty, Integrity, Respect and Accountability** and abide by the spirit and dictates of this code of conduct. All members must agree to conduct themselves in a sportsmanlike manner, and are responsible for their actions while attending or participating in any RMST activity or function.

Sportsmanlike conduct is defined as, but not limited to: respect for competition officials, resort employees, and the skiing or snowboarding public, respect for facilities, privileges and operating procedures, the use of courtesy and good manners, acting responsibly and maturely, refraining from the use of profane or abusive language, and abstinence from illegal or immoderate use of alcohol and use of illegal or banned substances including drugs.

While participating in any RMST activity or function:

1. RMST members shall conduct themselves at all times and in all places as befits worthy representatives of RMST.
2. RMST members are responsible for knowledge of and adherence to resort and competition rules and procedures including the Skier's Code.
3. RMST members shall maintain high standards of moral and ethical conduct, which includes self-control and responsible behavior, consideration for the physical and emotional well-being of others, courtesy and good manners
4. RMST members shall abide by RMST rules, regulations and procedures while traveling to and from and participating in official RMST activities, including but not limited to: competitions, training, camps, functions, and vendor-sponsored events.
5. RMST members shall abstain from illegal or immoderate consumption of alcohol. Absolutely no consumption of alcohol is permitted for those individuals under the age of 21.
6. No RMST member shall commit a criminal act.
7. No RMST member shall engage in any conduct that could be perceived as harassment or bullying based upon gender, age, race, religion or disability.
8. RMST members will avoid profane or abusive language and disruptive behavior.

Failure to comply with any of the above provisions may lead to disciplinary action by the appropriate team or competition leader. Disciplinary action may include:

1. Removal from the activity.
2. Suspension from training, competition, activities or travel.
3. Elimination of coaching, resort privileges and other benefits
4. Forfeiture of membership within the RMST

RMST is committed to principles of fairness, due process and equal opportunity. Members are entitled to be treated fairly and in compliance with the club’s bylaws and the resort’s rules, regulations and procedures.

Nothing in this Code shall be deemed to restrict the individual freedom of a RMST member in matters not involving activities in which one could not be perceived as representing RMST. In choices of appearance, lifestyle, behavior and speech while not representing RMST, members shall have complete freedom, provided their statements and actions do not adversely affect the name and reputation of RMST, Ragged Mountain Resort and its employees, vendors and affiliates, nor any other member. However, in those events and activities where one is representing RMST, the RMST demands that its members understand and agree to behave in a manner consistent with the best traditions of sportsmanship and RMST’s core values.

I have read, understand and agree to abide by this Code of Conduct. I understand that the Code of Conduct may be updated, revised or changed at any time.
